CAREER SUMMARY

Frontend Developer Fresher with foundational knowledge in Java, SQL, HTML5, CSS3, JavaScript. Skilled in applying academic learning to practical projects such as responsive web design. Strong interest in Front-end design and database management with a commitment to continuous learning, teamwork and problem-solving.

EDUCATION

Bachelor of Technology (B.Tech) in Information Technology	2022-2026 85%
University College of Engineering, Villupuram	
Higher Secondary Certificate (HSC)	2021-2022 92%
Secondary School Leaving Certificate (SSLC)	2019-2020 86%

PROJECTS

PORTFOLIO WEBPAGE — Built a responsive portfolio website using **HTML, CSS, and JavaScript**, applying UI design principles for structured navigation. Managed the project with GitHub version control, created a repository, and deployed using GitHub Pages. Published the live demo link on LinkedIn and GitHub to showcase frontend development and deployment skills.

SMS SPAM DETECTION SYSTEM — Developed a machine learning model with **Natural Language Processing (NLP)** to classify SMS messages as spam or ham. Applied text preprocessing, tokenization, stop-word removal, and TF-IDF feature extraction, and implemented Naive Bayes and Logistic Regression algorithms for improved accuracy. Designed a simple web-based interface for real-time detection with scalable performance.

SKILLS

Programming Languages: Java, SQL
Web Development: HTML5, CSS3, JavaScript, Responsive Web Design, Bootstrap (basic usage)
Database Tools / Technologies: MySQL, Oracle
Version Control: GitHub
Development Tools / IDEs: VS Code, Eclipse

INTERNSHIP / TRAINING

UI Design Intern — Assistlana, Pondicherry (01 July 2025 – 31 July 2025)
Successfully completed a **UI Design internship** under the Ministry of MSME, Government of India, gaining practical exposure to **HTML, CSS, Bootstrap, responsive design, and UI principles**.

CERTIFICATIONS

- **UI-Design Training Certification** — Practical exposure to UI principles.
- **Aptitude Skill Development Certification** — Enhanced analytical skills.
- **Certified Proficiency in Typewriting** — Improved typing speed and accuracy for professional documentation.

ACHIEVEMENTS

- **Technical Paper Presentation** — Delivered at an academic event, showcasing **presentation and communication skills**.
- **Project Expo Participation** — Presented innovative projects at inter-institutional level, demonstrating **technical expertise and creativity**.
- **Symposium & Workshop Organization** — Led and coordinated technical events, highlighting **leadership, collaboration, and organizational abilities**.
