

CAREER SUMMARY

Aspiring to begin a career in the IT field where I can contribute my academic learning to practical projects, strengthen my technical abilities, and gain valuable industry experience. Eager to grow in a professional environment that values learning, innovation, and continuous improvement. Possess foundational knowledge in Java, SQL, HTML, and CSS with a strong interest in expanding technical expertise.

EDUCATION

BACHELOR OF TECHNOLOGY(B.TECH) IN INFORMATION TECHNOLOGY

University College of Engineering, Villupuram

2022-2026 | 85%

HIGHER SECONDARY SCHOOL(HSC) SECONDARY SCHOOL LEAVING CERTIFICATE(SSLC)

John Dewey Matriculation Hr.Sec.School

2021-2022 | 92%

2019-2020 | 86%

PROJECT

SMS SPAM DETECTION

Developed an SMS Spam Detection System using Machine learning and Natural Language Processing(NLP) to classify messages as spam or ham. Implemented text preprocessing, tokenization, stop-word removal, and TF-IDF feature extraction for data processing. Utilized multinomial Naive Bayes and Logistic Regression algorithms to improve classification accuracy and reliability. Designed a web-based interface for real-time spam detection with efficient and scalable performance.

TECHNICAL SKILLS

Programming Languages : Java, SQL

Web Technologies: HTML, CSS

Tools & IDEs: Eclipse IDE, VS Code, SQL*Plus

Database: Oracle

Office Tools: Word, PowerPoint

SOFT SKILLS

Effective time management

Self-motivated and Goal oriented

Good listener and Quick learner

Adaptable to new technologies

Collaborative leadership

INTERNSHIP TRAINING

Completed internship training at Assistlana, Pondicherry in UI Design gaining practical exposure in web development concepts. Strengthened understanding of front-end technologies and enhanced skills in designing user-friendly web interfaces.

ACHIEVEMENTS

- Delivered a technical paper presentation at an academic event, demonstrating presentation and communication skills.
 - Presented projects at inter-institutional project expo, showcasing innovation and external academic exposure.
 - Organized and conducted a technical symposium and workshop within the college, demonstrating leadership and organizational abilities.
-

CERTIFICATIONS

Certified proficiency in Typewriting
Aptitude skill Development certification
Certification in UI-Design training
development

HOBBIES

Exploring emerging technologies
Programming and coding practice
Focusing on communication skill
Enhancing typewriting proficiency
